

US YOUTH SOCCER COLORADO STATE CHAMPIONSHIPS

2010 COLORADO STATE CUP

The State Cup is the most significant tournament that a Colorado Team can enter. The winner in each age (U12, U13, U14, U15, U16, U17, U18, and U19) is the official state champion, and becomes the Colorado representative at Regional competition to be held in the month of June. For teams in the U14 through U19 age groups, National Championship competition awaits those teams achieving a Regional championship.

Due to the unique significance of Cup and the selection process it represents, there are some additional rules that specifically affect Cup play.

1. Cup games take priority over all other games, and league play may be pre-empted to complete Cup competition.
2. Fall State Cup competition will be limited to U14-U18 Girls Only. Spring competition will be U12-U18 Boys and U12-U13G.
3. The roster of teams entering Cup is “frozen” until they have completed the Competition. No players may be added on a Cup roster while a team competes in Cup. The roster of the Cup Champion in each age group is frozen until the team has completed all Regional and National matches for which it qualifies. Cup roster will be your league roster as printed at CYS on the freeze date.
4. By entering the US Youth National Championships, a team winning the State Championship agrees to represent Colorado at all Regional and National Competitions for which it qualifies.
5. A team may not roster more than **five (5)** previously rostered players in any seasonal year (includes players within your own club).

Copies of all players’ birth certificates must be submitted with your Cup application and fees. This is MANDATORY. State Cup applications, fees, and birth certificates **MUST** be tangibly in our office by **6:00pm on the appropriate entry deadline**. Postmarked or faxed applications will **NOT** be accepted after the deadline. If mailing your application, *it is highly recommended that you do so in a manner that can be tracked if necessary!* Please submit all of the above to:
